യുക്തയുണ്ടായി നാളെ കൊടുത്തില്ലെങ്കിൽ പണം ലാപ്സായിപ്പോകുമെന്ന്. ലാപ്സായിപ്പോയാലും അതുകൊണ്ട് നഷ്ടമൊന്നും ഉണ്ടാകാൻപോകുന്നില്ല. ആ നിലയിൽ സപ്ലിമെന്ററി ഗ്രാന്റ് പാസാക്കിത്തരണമെന്നാണ് ഞാൻ അപേക്ഷിക്കുന്നത്.

ശ്രീ. എ. താണുപിള്ള: ഇന്നത്തെ ഗവൺമെന്റിന്റെ ധനസ്ഥിതിവച്ചു എങ്ങിനെയാണ് ഫൈനാൻസ് ചെയ്യുന്നത്?

ശ്രീ. എൻ. കുഞ്ഞുരാമൻ: ഗവൺമെന്റിന് പല ഇനത്തിലും പണം ഉണ്ട്.

Mr. Speaker: The question is that a sum of Rs. 10 lakhs be granted under Debt Head IV—Loans (a) Loan to Fertilisers and Chemicals.

The demand was passed and the grant was made.

Sri. E. John Philipose: I am not moving the next demand *i. e.*, item No. 14 in the list. Debt Head advances III C—Advance for purchase of manure—(XXI) Agriculture.

XXXII—Anchal

Sri. E. John Philipose : I move that a supplementary grant of Rs. 8,720 be granted under Demand XXXII—Anchal—Working expenses. This is in respect of working expenses to the Anchal Offices for the purchase, and repair of certain furniture. This also is a case of adjustment of accounts.Rs. 8720 is the amount required for the purpose.

Sri. N. Kunjuraman : I second it.

Mr Speaker: The question is: "that a sum of Rs. 8,720 be granted under XXXII—Anchal—Working expenses (c) Anchal Offices—Purchase and repair of furniture."

The demand was passed and the grant wae made.

STATEMENT ON APPROPRIATION BILL

Mr. Speaker: The Minister for Finance will now explain the position in regard to the question raised by the Mr. A Thanu Pillai whether an Appropriation Bill is not necessary in respect of Supplementary Grants.

ശ്രീ. എ. ജെ. ജോൺ: ഈ സപ്ലിമെന്ററി ഗ്രാന്റിനു മേൽ അപ്രാപ്തിയെൻസ് ബിൽ അവതരിപ്പിക്കേണ്ട ആവശ്യമില്ലേ എന്നൊരു ചോദ്യം ബഹുമാനപ്പെട്ട മെമ്പർ ശ്രീ. താണുപിള്ള ഉന്നയിക്കുകയുണ്ടായി. അതുസംബന്ധിച്ച് ഈ അപ്രാപ്തിയെൻസ് ബിൽ അവതരിപ്പിക്കേണ്ട ആവശ്യമില്ല. പ്രസിഡന്റ് ഈ ഇൻഡ്യാ അങ്ങനെയൊരു ഓർഡർ ഇഷ്യു ചെയ്തിട്ടുണ്ട്. ഫൈനൽ ഫെബ്രുവരി ഫസ്റ്റാം തീയതിയാണ് അതു ഇഷ്യു ചെയ്തത് അതിൽ ക്ലാസ് ൧൯ ഇങ്ങനെയാണ്

"After Article 390, the following Article shall be inserted namely—

1—(3) If in respect of the State financial year expenditure from the revenues of a State specified in Part B, the First Schedule becomes necessary over and above the expenditure theretofore authorised for that year, the Raj Pramukh of the State shall authorise such expenditure in accordance with the rules in force immediately before the announcement of this Constitution governing the authorisation of such expenditure from the revenues of the corresponding Indian State subject to necessary modifications."

Sri. A Thanu Pillai: It is not that I really felt it necessary. But I wanted to bring to the notice of the House that the procedure for these demands is not the procedure prescribed here. That is made clear by Article 390. Even without another provision by the President, I think that Article 390 makes it clear.

Sri. K. Sivarama Pillai: One complication has been created, Sir. About 17 lakhs of rupees has been asked as supplementary grant. When asked whether that amount is included for 1124 Revised Estimate, the answer is "No." Then that amount is to be paid from the Consolidated Fund for 1950—51. We calculated only the cash balance. That amount does not include any of the supplementary demands now passed. With that we calculate the Consolidated Fund of Travancore for 1950—51. These demands ought to be met out of that.

Mr. Speaker: I thought that matter has been closed. Article 390 is clear on the point. We will now pass on to the next item in the agenda. According to the agenda, we have to take up Legislative Business after an interval of half an hour, in the evening. You may avail of the interval even now or some time later. I would like to know the sense of the House ?

Sri. A. J. John: The interval may be at 4-30 p.m. if it will not inconvenience the House.

Sri. D. Gnanasigamoni: Having come after the interval at 5 o'clock, we want to know definitely, how long we have to sit. We must have some definite programme.

Mr. Speaker: We cannot say that now. Moreover no question of that kind can be put and I think the Chair is not bound to answer such questions. Now the business before the House will be taken and later on as things develop we will decide when to adjourn.

LEGISLATIVE BUSINESS

Holdings (Stay of Execution Poceedings) Bill *(contd.)*

Clause 1

Sri. A. J. John: I move:

"To sub-clause (2) of clause 1, add the following words.—

"and also to the enclaves which formed part of the Thirunelveli District and which have been absorbed in the State of Travancore-Cochin."

Sri. T. K. Narayana Pillai: I second it.

Mr. Speaker: Mr. A. Thanu Pillai has an amendment to clause 1, sub-clause (2). That has been now taken up by the Hon'ble Minister. The amendment moved by the Hon'ble Minister is the same as that of Mr. Thanu Pillai, with slight variation in the wording.

Sri. A. Thanu Pillai: Sir, my amendment was:

"In clause 1, sub-clause (2) add at the end the words 'and such territories as have been added to Travancore-Cochin after the formation of that State by the integration of Travancore and Cochin.' The amendment which Hon'ble Mr. John moves is to add 'and also to the enclaves which formed part of the Thirunelveli District and which have been absorbed in the State of Travancore-Cochin."

Sir, there is some difference in it. Of course the wording of the amendment may be changed. But my purpose is to include under this, territories that have been absorbed in Travancore-Cochin after the formation of the State of Travancore-Cochin. I don't know whether it is only part of the Thirunelveli District that has been absorbed. There may be areas which did not form part of the Thirunelveli District which have been absorbed in the Travancore-Cochin State. Why it should be restricted like this, I am not able to understand. I am not sure, but my information is that there are other areas also which have been added to the Travancore-Cochin State after the formation of the State of Travancore-Cochin.

Sri. A. J John: A portion of the Coimbatore District was added on the Chittur District in Cochin. But this Bill applies only to Travancore and portions of the Thirunelveli District which were added to the Travancore area.

Sri. A. Thanu Pillai: What about the other area? Those areas should also have some law. They have no law, because the Cochin law will not apply unless there is any special legislation to that effect. This also will not apply to such areas. What is the harm in applying this to all areas outside Cochin and now within Travancore-Cochin State. Why should there be any area without any law.

Then again, are there not within Travancore portion itself areas now absorbed which were not part of the Thirunelveli District? So, my amendment anyway stands. The wording also seems to be the wording in the agreement. This is more exhaustive. The other is not. So this may be accepted.

Sri. C. V. Iyyu: There are certain portions belonging to Malabar, which has been absorbed in the Chittur Taluk. There ought to be some legislation. Either the Malabar Tenancy Act or the Cochin Land Tenure Act should be applicable there.

Sri. A. J. John: With reference to that, I wish to bring to the notice of the Hon'ble Members, Standing Order passed by the Governor-General of India. It is stated in clause 8: "All laws in force in an enclave immediately before the appointed day shall, as from that day, cease to be in force in that enclave and all laws in force in the absorbing unit as on that day shall extend to and be in force in that enclave." So there is necessity to amend the present Section.

Sri. A. Thanu Pillai: How I understand is this. The law of the absorbing unit will apply. But here the difficulty is that there is no law which can be called the law of the absorbing unit.
